Sir,

Subject - Improvement of Mutton Market and construction of a row of shops in front of Mutton market and constructions of shops facing Dhanvanthri road.

page 13 / Reference - Your letter No L. 4063 dated 19-7-1955.

---

page 4 / Kind reference is invited to para 3 of the works Committee res No 19 dated 17-4-1955 which had already been enclosed to my letter dated 4-5-1955. It is stated therein that " the work be distributed between Sri Siddegowda and Sri Bhimiah Lingiah ~~Bros~~ Bro's if the latter agrees to do the work at the rates tendered by Sri Siddegowda ". In the next two paras of the - Works Committee resolution, distribution of work is detailed. Sri Bhimiah Lingiah have in pursuance of the Works Committee resolution, conveyed their acceptance to take up the work of construction of shops facing Dhanvanthri Road at the lowest rate secured ( vide letter dated 18-4-1955 which had already been enclosed in the tender file) Since the condition of working at the lowest rate was satisfied by a letter received soon after the Works Committee resolution and before approval by the Council of the proposal, a further imposition of the condition seemed unnecessary. A special mention of this fact was not also made in the letter as it was clear in the works Committee resolution and Council resolution already enclosed.

In view of the above facts, I request that orders of Government may kindly be obtained sanctioning the proposal to entrust the work relating to the construction of 5 shops -
